

The perfect addition to your store:

# CASH COW

The Revolutionary Cigarette Filling Machine.

*Double or triple your investment in one year.*

# Really high profits. No bull.

*One RYO Filling Station will provide you with a whopping 200% ROI in the first year of use at only 40% usage. No other tobacco related product in your shop can match those margins.*

Nobody can match these advantages:

- **Increase in revenue/profits**  
To the tune of about \$500 per day.
- **Territory exclusivity**  
We won't sell to competitors within a given radius of your store.
- **Full support**  
Including service manuals, on-site training, and a tech support hot line.
