

You'll love one of these in your store:

GOLD MINE

The Revolutionary Cigarette Filling Machine.

Customers will “rush” to your store.

The RYO Filling Station offers the ultimate in convenience and satisfaction. Your store will be a destination for customers. You'll profit from the sale of tobacco, the sale of tubes and the fees for the use of the machine. Take advantage of the fastest growing category in the outlet business.

Get these advantages too:

- **Fast and easy to use**
Customers follow simple touch-screen directions.
- **Happy customers are repeat customers**
They'll keep coming back, they'll tell friends.
- **Increased revenues**
Typical stores report a \$500 boost in daily revenues.
